<tr>
<td>Strategy</td>
<td>Hunger and Homelessness</td>
</tr>
<tr>
<td>Activity</td>
<td>Provide services to students experiencing food and/or housing insecurity. The Center for Women and Men will be a hub for non-academic resource support for students such as the Falcon Fuel Grab N Go food pantry. Volusia County and United Way will have offices on site and a computer station will be available for applying for food stamps.</td>

**Evidence of Success**

According to Keith Kennedy and Erin Le Duc, an average of 75 food “units” are distributed daily. Keith and Erin can provide details for highlighted areas.

- Number of students receiving services:
  - Number of students receiving homeless waivers: 65
  - Number of community service providers on site:
  - Number of students accessing multiple services (come in for one service and find out about other services):

**Reported by**

Frank Gunshanan

---

**Food Pantry**

- SGA has apparently provided $10,000 to purchase food
- Thursday seems to be family-food need day. (Can we ask faculty to adjust donations on this day?)
- Erin will look into the possibility of adding a “food-o-meter” for CfW&M webpage to inform faculty and staff on the level of need for donations.
- Grant Opportunities: Can DSC meet with the grant department, prior to year-end, to determine an action place for applying to up to 3 grants, yearly (one in 1Q, 2Q, 3Q) to assist with student retention, homelessness and / or nutrition?

**Student of Concern Report** [http://scs.sdes.ucf.edu/concern](http://scs.sdes.ucf.edu/concern)

- At our last RC meeting, concern was raised about duplicating a form that already existed (in Campus Safety). According to Marek Juracek, “The application . . . is no longer available. It was developed for the legacy ERP / system, and is not compatible with PeopleSoft. A new application would have to be developed.” Marek has drafted a service request (#46242) to begin modifying UCF’s student of concern form to our needs and to upload it to the faculty My Daytona State web page, upon committee approval.

**Payroll Deduction**

- Can we revise the payroll deduction form (see attached) to include “food pantry”?
Student Services Hub

- In order to augment mental health services for the planned student services hub, can we get interns in Social Work / Psychology / Finance (Financial Literacy and Planning) to volunteer at DSC? Dr. Camille Tessitore King, SU Psych. Dept. was contacted about possible internships / volunteering program.  
http://www.stetson.edu/artsci/psychology/psychaction.php

Homelessness Awareness

- Bill Tillard has agreed to allow Campus Safety officers to carry and distribute literature / “care kits” for those who may be in need. (On most college campuses, public safety officers are the first “points of contact” with those in need who are found sleeping in cars or school buildings, especially after normal class times.)  
- NAEHCY Posters (please see attached)

Hope Place

- The Daytona Beach City Commission on November 2 approved a $75,000 funding grant for the first phase of operational costs for HP.  
- The Service-Learning Committee continues to express interest in working with HP to establish faculty and student-led mentoring, and other services. Mark Geallis and the HP Operations Committee are on board.
