b. **Family Self-Sufficiency (FSS):**
      i. A HUD program that encourages PHAs to develop local strategies to help voucher families obtain employment that will increase their economic independence and self-sufficiency. The PHA works with welfare agencies, schools, businesses, and other local partners to administer a comprehensive program that gives participating FSS family members the skills and experience to enable them to obtain employment that pays a living wage.
      ii. What services are provided through the FSS program?
         1. child care
         2. transportation
         3. education
         4. job training and employment counseling
         5. substance/alcohol abuse treatment or counseling
         6. household skill training
         7. homeownership counseling
      iii. Families who receive assistance under the HCV (Housing Choice Voucher) at least one year are eligible to participate in the FSS program.
      iv. What requirements must a family meet?
         1. The PHA and the head of each participating family execute an FSS contract of participation that specifies the rights and responsibilities of both parties. The five-year FSS contract specifies goals and services for each family. Family members must fulfill all requirements in order to obtain full benefits.
         2. The FSS contract requires that the family comply with the lease, that all family members become independent of welfare, and that the head of the family seek and maintain suitable employment for at least one year. Possible sanctions for noncompliance with the FSS contract are termination from the FSS program, forfeiture of the FSS escrow account, withholding or termination of supportive services, and termination of Housing Choice Voucher Program Assistance.

**i. “Hugs & Love” Children’s Center:**

i. Recognizing the effect domestic violence has on children, the Domestic Abuse Council, Inc. has based its “Hugs & Love” children’s program on providing a non-threatening environment in which children grow and thrive. With the parent/guardian's permission, assessments are conducted on all children who enter the shelter program, to assist with evaluating their needs for services and to screen for possible child abuse and/or neglect. The children’s advocate works individually as well as in group settings with the children from the shelter. The “Hugs & Love” Children’s Center provides childcare while mothers attend education sessions and support groups. The program has a strong emphasis on teaching children how to survive in a violent home and alternatives to violent behaviors.

1. **Program Eligibility**: The “Hugs & Love” Children’s Center is for children ages 0-17 that are residents of the Domestic Abuse Council, Inc. shelter

2. **To Access the Program**: The shelter parent/guardian will be informed of how to access the program during case management sessions.

3. **To Access the Program**: The shelter parent/guardian will be informed of how to access the program during case management sessions.

4. **Duration**: Length of service is dependent on the time the family spends in the shelter.

5. **Cost**: There are no fees for the “Hugs & Love” Children’s Center.

**j. Hush Puppy Haven:**
i. Upwards of 85% of domestic violence victims witness animal cruelty in the home. More importantly, 48% of domestic violence survivors delay or won't leave their abuser because they don't have a safe place for their pets.

ii. Hush Puppy Haven is a 501(c)3 non-profit organization, a separate legal entity which provides temporary foster homes for pets of domestic violence survivors while they are in shelter with the Domestic Abuse Council of Volusia County. By doing this, Hush Puppy Haven can help ease the emotional stress and worry of the survivor and the children in the family, knowing their pet will be well-cared for and loved while they begin the healing process, until they can be reunited.

iii. Hush Puppy Haven and the Domestic Abuse Council look forward to bringing more victims of domestic violence and their pets to safety…because no one should have to choose between their own safety and the life of their beloved pet. For more information on Hush Puppy Haven, go to www.hushpuppyhaven.org

13. PEO SISTERHOOD
   a. P.E.O. was founded on January 21, 1869, by seven students at Iowa Wesleyan College in Mount Pleasant, Iowa. This circle of kindred spirits – bonded by their enthusiasm for women's opportunities – eventually expanded to include women off campus, as well. Today, P.E.O. has grown from that tiny membership of seven to nearly a quarter of a million members in chapters throughout the U.S. and Canada, with headquarters in Des Moines, Iowa.
   b. Friendship is the cornerstone of P.E.O. – it is the legacy left by our Founders and it thrives in our unique Sisterhood. P.E.O. exists to be a source of encouragement and support for women to realize their potential in whatever worthwhile endeavor they choose.

   d. P.E.O. Educational Loan Fund
      i. Makes loans available to qualified women who desire higher education and are in need of financial assistance. An applicant must be recommended by a local chapter of the P.E.O. Sisterhood and be within two years of completing her course of study. The current maximum loan is $12,000 for all programs of study except for doctorate degrees. The maximum loan for doctorate degrees is $20,000. The interest rate on all loans is 3% and the loan must be repaid six years from the date of issue. Following the graduation date
originally stated on the application, interest will begin accruing and will be billed on an annual basis. Interest accruals and payments will not be deferred if the student continues with further study.

e. P.E.O. International Peace Scholarship
   i. Scholarships for international women students to pursue graduate study in the United States and Canada.

f. P.E.O. Program for Continuing Education
   i. Grants to women in the United States and Canada whose education has been interrupted and who find it necessary to return to school to support themselves and/or their families. The maximum one time grant is $3,000 though lesser amounts may be awarded according to available funds and financial need. The grant may not be used for living expenses or to repay loans of any kind. It also may not be used to pay past educational expenses, including those previously paid with borrowed monies, credit card or student loans.

   While grants may be used for academic, technical or online courses offered by educational institutions in the United States or Canada, they are not intended to cover the cost of prerequisite courses necessary to secure admission into the final program of study. Furthermore, a PCE grant is not approved for use by those intending immediate continuation of their education beyond the program for which the grant is requested: e.g. associates to bachelors or bachelor to masters.

   ii. A woman is eligible to apply if she:
       1. Is sponsored by a P.E.O. chapter
       2. Is a citizen of the United States or Canada
       3. Is studying and living in the United States or Canada for the entire course of study
       4. Has had at least 24 consecutive months as a nonstudent sometime in her adult life while being within 24 months of completing the final planned educational program that will lead to employment or job advancement in her chosen field.
       5. Is not enrolled in a doctoral degree program.

iii. The time frame for submission of completed applications is as follows:
       1. Recommendations will not be considered more than four months before the beginning of a term but must be completed and submitted at least 10 weeks prior to the term for which the grant is to be considered.

g. P.E.O. STAR Scholarship
   i. $2,500 award to high school senior women who wish to pursue post-secondary education

   ii. Applicant Eligibility Criteria:
       1. Exhibits excellence in leadership, extracurricular activities, community service, academics and potential for future success.
       2. 20 years of age or under at the end of the calendar year
       3. In the final academic year (senior year) of secondary education at time of application deadline
       4. Minimum un-weighted GPA of 3.0 on a 4.0 scale
       5. Citizen or legal permanent resident of the United States or Canada
       Plans to attend an accredited post-secondary educational institution in the United States or Canada full-time or part-time in the fall of the academic year after graduation
       6. Recommended by a P.E.O. chapter

15. Council on Aging
a. When you need a helping hand at home.
   i. [http://www.coavolusia.org/FindServices/In-HomeServices.aspx](http://www.coavolusia.org/FindServices/In-HomeServices.aspx)
      1. Council on Aging provides services to residents of Volusia County in one of two ways.
      2. For those who qualify, some services can be covered by Community Care for the Elderly (CCE) grant funds. But grant monies go quickly to meet the needs of our indigent community and the waiting lists for services can be long.
         a. For those needing care now, services are also available to all by private pay (out of pocket.) In-home care has been shown to reduce hospitalization, postpone nursing home care, lower costs, and most importantly extend lives.
         b. Personal assistance with activities of daily living: bathing, toileting, dressing and other hygienic needs under the supervision of a Registered Nurse.
         c. Errands/Chores
         d. Grocery/general shopping, doctor appointments, pickup prescriptions
         e. Companionship: Games, cards, crafts, reading, events and dining.
         f. Help with sorting mail, paying bills, balancing a checkbook, and letter writing
   ii. 386-253-4700 X 225
   b. Halifax Health - Care At Home in Partnership with COA is a full service Medicare-certified home health agency in Volusia County. The partnership between Halifax Health and Council on Aging was developed in order to better serve our community by expanding its reach and to allow for coordinated care after hospitalization by the area's most experienced and trusted health care professionals.
   c. For any patient that is:
      i. Recovering from an operation or stroke
      ii. Discharged from a rehabilitative facility
      iii. In need of continued quality healthcare after leaving the hospital
      iv. Undergoing rehabilitation or in need of continuous care at home In-home
         1. Your Care Team can include
            a. Skilled Nursing

            d. Speech Therapy
            e. Medical Social Worker
   2. How Do I Go About Getting Halifax Health - Care at Home?
      a. If, upon release from the hospital, your doctor tells you that you need home health services, tell your physician that you want Halifax Health – Care at Home to provide the service. You have the right, as the patient, to choose who provides your care.
      b. For more information: (386) 425-3871 or visit [www.halifaxhealth.org/athome](http://www.halifaxhealth.org/athome)
   d. Housekeeping
      i. Licensed, Insured and FBI Screened
1. Thorough. Punctual. And fully screened before they come to your home. These are qualities that most services cannot provide. You no longer have to worry about the housekeeper visiting your home stealing from or taking advantage of you or your loved one. We stake our 45-year reputation on it! Unlike other individuals or home-based services out there, our professional housekeepers are fully licensed, insured, background checked and specially trained to deliver any level of cleaning your home needs.

ii. 8-Step screening process, including FBI and FDLE background checks

1. Because of COA's role as a health services provider and its associated state and federal regulations, all of our care managers, and, yes, housekeepers, must undergo a more intensive screening process than any non-healthcare organization. This screening includes not only ongoing drug testing, but also FBI, FDLE and local law enforcement background checks.

iii. 20-step Healthy Home Cleaning System ensures that you are left with a cleaner, more sanitary home every time we clean.

1. Countless studies have shown that living in a cleaner, more sanitary environment helps maintain health and well-being. This is especially crucial for our elderly. Not only do our professional housekeepers make sure that your home is cleaned and sanitized, but they are specifically trained in the needs of seniors, so they provide that extra level of care not found in typical cleaning services. With the use of healthier cleaning supplies and methods, our exclusive process leaves your home...healthier! We take care of your easiest weekly cleaning chores to deep cleaning projects and make sure the job is done the right way: your way! Call COA to take care of: Laundry
